ACCOUNT TOGGLES

These toggles drive whose info is displayed. The parent/guardian toggle button is first followed by toggles for each linked patient. Be sure to select the correct toggle when viewing patient info.

SUGGESTION TILES

Use these quick access buttons to initiate the most common portal actions. The tiles displayed depend on what the Practice has enabled. Note that when sending a message to the Practice, always select that it is being sent **on behalf of the patient**. Otherwise, it may not be received.

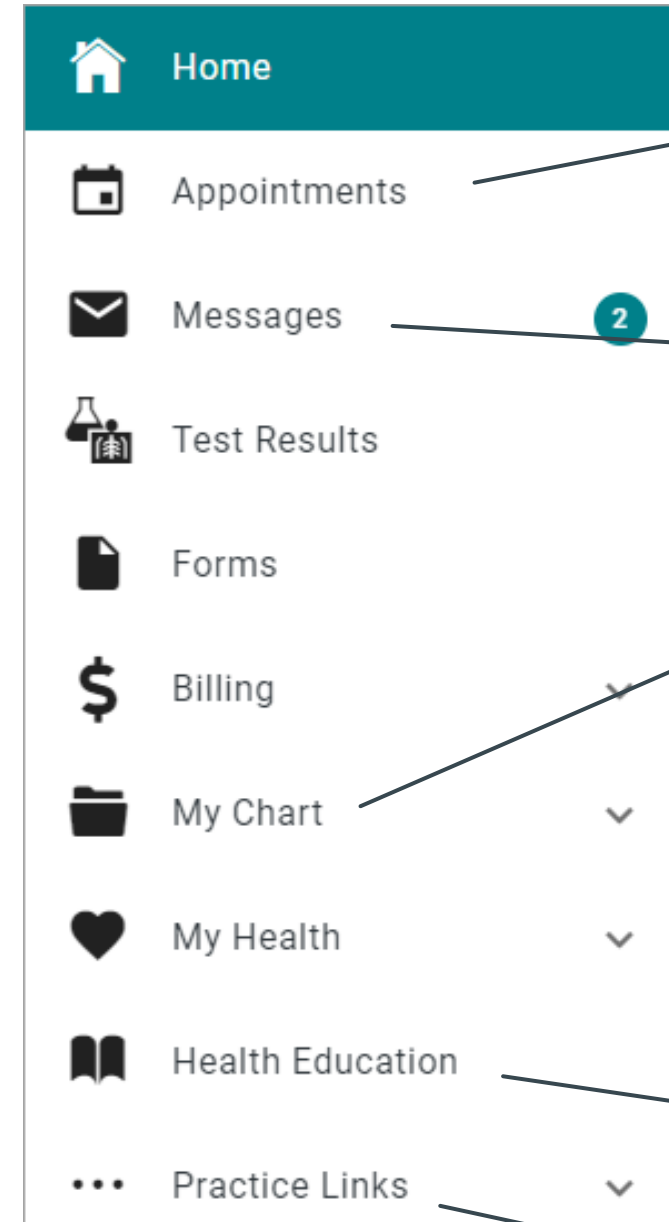

Shortcuts replace the Suggestion Tiles when you've received items that need attention, such as to read new messages or view lab results.

NAVIGATION PANEL

Use the Navigation Panel to access the patient's full portal information. Remember to select the correct toggle button first to make sure the information displayed is that of the intended patient.

Lists upcoming appointments and provides the options to **request a new appointment** or **request a referral** (if enabled by the Practice).

Displays the patient's message inbox, sent items, and deleted messages. You can also compose a message from here.

Expands to list the different chart sections. Here are some key points:

- **Summary** displays the entire chart at-a-glance and features tabs to move to specific chart sections.
- **Documents** provides the option to request a document (if enabled by the Practice). You can also see what has been shared by the Practice for you to review.

Displays Patient Education handouts shared by the patient's Care Team.

Easy access to important links provided by the Practice.

Note: If you are having any issues with the portal please contact the office either at: info@phamckinney.com or [972-548-7888](tel:972-548-7888).
